DEDICATION

One of the unique responsibilities and greatest privileges of the yearbook staff is to examine carefully the past and the present, seeking a particular ideal or individual that has had and that is having a profound effect upon Kentucky State College. This year it was not difficult to decide that the honor would go to one who came to Kentucky State College as a student, graduating in 1936 with a Bachelor of Arts degree in history. Upon graduation he was immediately hired at Kentucky State College. In a way of tribute for his years of inestimable service to Kentucky State College, the staff of the 1970 THOROBRED dedicate this annual to Dr. Henry E. Cheaney, Professor, Department of History and Political Science and Chairman of the Afro-American Studies Program.

Dr. Cheaney, a native of Henderson, Kentucky earned the Master of Arts degree in history from the University of

Michigan and the Doctor of Philosophy degree in history from the University of Chicago.

During his thirty-four years at Kentucky State College, Dr. Cheaney has been a guiding influence in helping young men and women mature into responsible, active citizens. He has given rare guidance to students during these most crucial stages of development.

He is a man of many talents and responsibilities, each of which he fulfills in the highest, most admirable manner. He is a scholar, educator, gentleman, and perennial source of inspiration to all of us.

It is indeed a sincere pleasure for the members of this year's THOROBRED to dedicate this edition to someone who shared his talents, wisdom, and understanding not only to a few students, but also to hundreds of students over the years. Thus, to Dr. Henry E. Cheaney, we very graciously dedicate this edition.

FOOTBALL AT KENTUCKY STATE COLLEGE

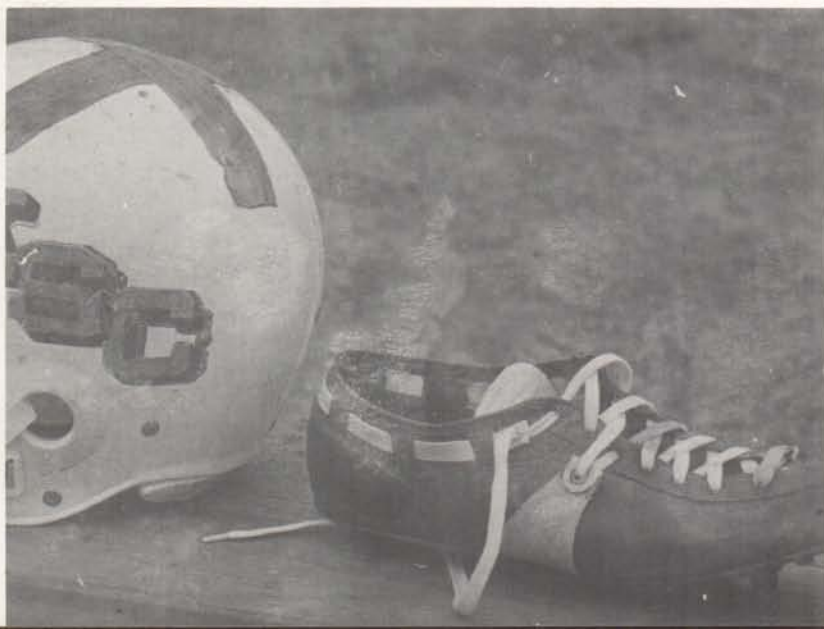

Football Team 1969

Our football season was a winless one. For the most part, this year's football team was composed of a group of freshmen and a small package of experienced men. There were only a few lettermen that returned.

We hope confidence was restored to our team by none other than "Mr. Football" O. J. Simpson, who stated at the Annual Fall Sports Banquet "We lost 30 straight games before our first win." These words of encouragement should definitely lift the morale of our football team.

A grid of 50 black and white student portraits arranged in 10 rows and 5 columns. Each portrait shows a young person, likely a high school or college student, from the chest up. The students are of various ethnicities and are dressed in formal or semi-formal attire typical of the mid-20th century, such as suits, sweaters, and collared shirts. The portraits are set against a plain, light-colored background. The grid is organized into five rows of five portraits each. The students are smiling or looking directly at the camera. The overall composition is a formal yearbook-style page.

FRESHMAN CLASS 1969-1970

Candid Shots Editor

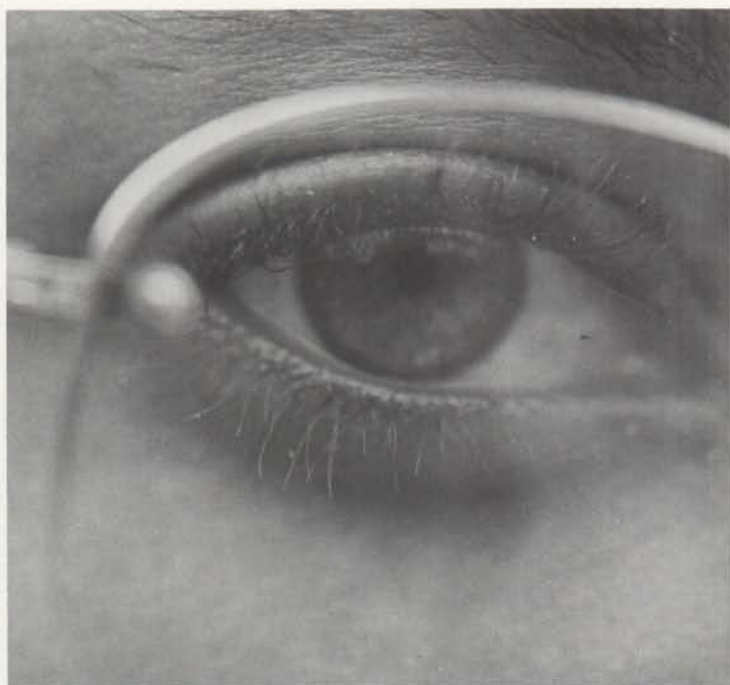

DONNA R. HOWELL

Future freshman at KSC??

School spirit.

Big brother is watching you. . . .

Athlete feet?

Where's Mop??? . . . Could he be scrubbing floors?

Sex Machine.

All for Kentucky State stand up and hollow!

Rocky and his friends.

Dandruff, who me? I use a dandruff shampoo.

It says here "put key in ignition and turn right."

So they call you the ice man?

Who'll take the lady with the skinny legs?

I'm not the American Tobacco Company.

The soulful strut.
176

You need all the water you can get.

So you want to be a Delta?

Ok . . . so he spoke to you.

Can you tell me where the block is?

Does she or doesn't she . . . ?

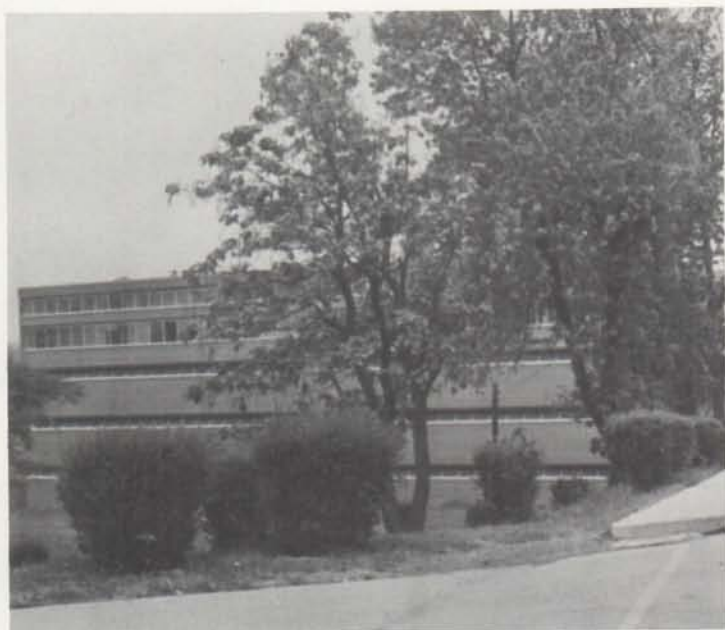

You caught me by surprise.

Ain't nothing like a good bite of cheese.

Make this run to the grill.

We have a dream . . .

Hurry or we'll be late for class.

What does he mean the grills' in the hole \$5.00?

I'm the sweetest thing next to candy.

I told you no once.

BSU meeting tonight at 7.

But, like dig!

She's cheering
for KSC

School spirit personified.

If he would have done this . . . Maybe.

I'm so happy . . . he sure will make a way.

His sweater is sharp . . . but mine is better.

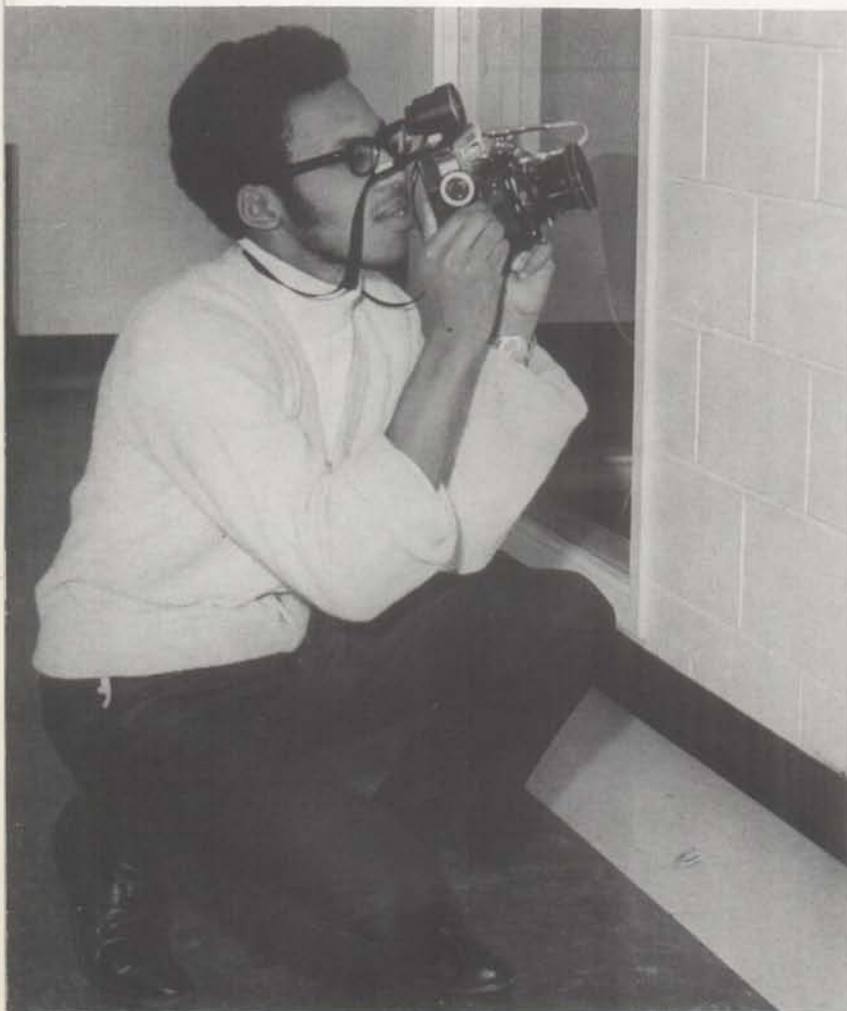

What else was on the test?

Let's get to class on time.
